Sen. Allen welcomes testimony on Kingsley Schools

March 24, 2004 – State Sen. Jason Allen, R-Traverse City, welcomed the Kingsley Schools superintendent and Kingsley High School principal to the state Capitol Thursday to testify about the challenge posed by the closure of the high school due to concerns of roof safety. The district has re-arranged their school schedule for middle- and-high school students to make accommodations. Sponsored by Allen, SB 1100 allow up to an additional 20 hours of instruction to be waived so the school can keep their School Aid funding and finish the school year on time for graduation. Members of the committee unanimously approved the legislation. Sen. Allen (center) is joined at the Senate Committee on Education by Kingsley Schools Superintendent Michael Jurgenson and Terry Street, Kingsley High School principal.
